

TECHNICAL DATA SHEET

CLEAN+ Lavatory Deodorant Concentrate (Bioclean 360) Code 2320 Concentrate toilet deodorizer

DESCRIPTION

CLEAN+ Lavatory Deodorant Concentrate (Bioclean 360) is a highly concentrated toilet cleaning fluid, formulated to clean and deodorize lavatories for aircraft, train, RV, bus, and additional applications. A unique combination of detergent, scale inhibitor and deodorizing properties prevents foul odors and keeps toilets clean and fully operational. This novel chemistry is VOC free and prevents ammonia and malodour generation. Users will notice improved performance from recirculating toilets while ground handlers will benefit from improved hygiene safety in disposing of waste that has been correctly treated before removal from vacuum waste tanks.

FEATURES & BENEFITS

- **Fast acting** – manufactured to exceed the rigorous standards of the World Health Organization (WHO) and control malodour generation.
- **Long lasting** – Powerful formulation continues to clean and fight odors in the toilet waste system for up to 72 hours.
- **Permanent Air Freshener** – slow-release pine scent acts as a long-lasting deodorant and air freshener boosting performance every time the toilet is flushed.
- **Low foaming during flush** – contains a powerful anti-foaming agent to eliminate toilet foaming within 20 seconds.
- **Safe to use** – Will not stain fabrics, rubber, and plastic materials
- **Biodegradable formulation** – safer for the environment.

DIRECTIONS FOR USE

CLEAN+ Lavatory Deodorant Concentrate (Bioclean 360) is a highly concentrated product to be diluted at different ratios up to 1:1000 depending upon the duration of the flight. For aviation dilute Bioclean 360 per the dilution table. For non-aviation use 3.4oz / 100mL Bioclean 360 into 8 Gallon / 30L water. Fill lavatory's tank with the ready to use solution. Bioclean 360 can be used in either recirculating or vacuum toilet systems.

DILUTION RATES

| <i>Servicing Interval (Flight times)</i> | |
|--|--------------|
| <3 Hours | 1:640-1:1000 |
| 3-6 Hours | 1:500-1:640 |
| >6 Hours | 1:300-1:500 |
