

TECHNICAL DATA SHEET

CLEAN+ Citrus Cleaner Degreaser RTU

Code 9251
DESCRIPTION

CLEAN+ Citrus Cleaner Degreaser is a highly effective cleaner and degreaser that is safe for use on most surfaces. A powerful and fast acting citrus solvent degreaser for toughest cleaning jobs. Can be used to degrease most water-safe surfaces such as walls, appliances, engines, hard non-porous surfaces, concrete, kitchens, drain lines, ducts, metal, machinery, glass, fabric, fiberglass, and plastics. Great for building service contractors, the food service industry, hospitality, automotive, retail, education, and transportation.

FEATURES & BENEFITS

- Ready to use.
- Versatile – use in housekeeping, food service and industry.
- Removes grease, oil, ink, dirt, grime, food soils, finger marks, smudges, and smears.
- Noncorrosive with a pleasant citrus scent.

DIRECTIONS FOR USE

- Read the entire label and SDS for proper use (test surfaces for compatibility before use).
- Spray directly onto surface and wipe clean with a dry, lint free cloth.
- For heavily soiled surfaces, wait 30-60 seconds before wiping clean.

PHYSICAL PROPERTIES

- Appearance: Orange liquid
- Viscosity: Water thin
- Odor: Orange
- pH: 10.5 – 11.5
- Solubility in water: Complete
- Shelf Life: 2 years

TECHNICAL DATA SHEET**FIRST AID**

EYE CONTACT: Wash out immediately with fresh running water. If pain persists or recurs seek medical attention. **SKIN CONTACT:** Flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation. **INGESTION:** If swallowed do NOT induce vomiting. If vomiting occurs, lean patient forward or place on left side (head-down position, if possible) to maintain open airway and prevent aspiration. Give water to rinse out mouth, then provide liquid slowly and as much as person can comfortably drink. Seek medical advice.

STORAGE

Keep in a suitable container (polyethylene or polypropylene) and check all containers are clearly labelled and free from leaks. Avoid reaction with oxidizing agents, bases and strong reducing agents. Avoid strong acids, acid chlorides, acid anhydrides and chloroformates.

DISPOSAL

Disposal of contents / container to authorized hazardous or special waste collection point in accordance with any local regulation. Recycle containers if possible or dispose of in an authorized landfill.

WARRANTY – All statements, information and data presented herein are believed to be accurate and reliable but are not to be taken as a guarantee, expressed or implied, for which seller assumes legal responsibility and they are offered solely for your consideration, investigation, and verification. Statements or suggestions concerning possible use of this product are made without representation or warranty that any such use is free of patent infringement and are not recommendations to infringe on any patent.
