

TECHNICAL DATA SHEET

CLEAN+ Multi-Purpose Neutral Cleaner Code 9254

Concentrate

DESCRIPTION

CLEAN+ Multi-Purpose Neutral Cleaner is a highly effective cleaner that is safe for use on most surfaces including counter tops, ceramic tile, marble, concrete, vinyl, rubber, walls, floors, ovens, fryers, ducts, refrigerators, light fixtures, stainless steel, and so much more! This environmentally friendly cleaner is free from phosphates, solvents, and harmful surfactants and was specifically formulated to achieve the same performance as the leading non-biodegradable butyl products in the market. Features a refreshing fragrance. No rinsing required.

FEATURES & BENEFITS

- Concentrated formula
- Biodegradable
- Free from harsh chemicals

DIRECTIONS FOR USE

- Mix concentrate with water to desired strength per the dilution table below into an approved bottle or bucket.
- Ensure that appropriate labelling is added to the new bottle or bucket identifying the formulation.
- Apply the diluted product directly onto the surface and wipe clean with a dry, lint free cloth.
- Avoid saturating the surface and ensure all residue is wiped clean.
- For heavily soiled surfaces, allow product to remain on the surface for 30-60 seconds before wiping clean.

Light	1 to 100
Medium	1 to 50
Heavy	1 to 10

PHYSICAL PROPERTIES

- Appearance: Blue clear liquid
- Specific Gravity: 1
- Odor: Fresh & Clean
- pH: 7.5 – 8.5
- Solubility in water: Complete
- Shelf Life: 2 years

ORDERING INFORMATION

Code	Product Description	Packaging	Units per Case	Cases / Pallet	Units / Pallet
9254/42/AMS	CLEAN+ Multi-Purpose Neutral Cleaner Concentrate	1 Gallon	4	48	192

PRECAUTIONS

CAUTION: Contains Alkaline detergents. Keep out of reach of children.

FIRST AID

EYE CONTACT: If this product encounters eyes, wash out immediately with water. If irritation continues, seek medical attention. Removal of contact lenses after an eye injury should only be undertaken by skilled personnel. **SKIN CONTACT:** If skin or hair contact occurs, flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation. **INHALATION:** If fumes, aerosols, or combustion products are inhaled remove from contaminated area. Other measures are usually unnecessary. **INGESTION:** Immediately give a glass of water. First aid is not generally required. If in doubt, contact a Poison Control Center or a doctor.

STORAGE

Keep containers securely sealed. No smoking, naked lights, or ignition sources. Store in a cool, dry, well-ventilated area. Store away from incompatible materials (oxidizing agents, bases, strong reducing agents, strong acids, acid chlorides, acid anhydrides and chloroformates) and foodstuff containers.

DISPOSAL

Disposal should be in accordance with applicable regional, national, and local laws and regulations.

WARRANTY – All statements, information and data presented herein are believed to be accurate and reliable but are not to be taken as a guarantee, expressed or implied, for which seller assumes legal responsibility and they are offered solely for your consideration, investigation, and verification. Statements or suggestions concerning possible use of this product are made without representation or warranty that any such use is free of patent infringement and are not recommendations to infringe on any patent.
