

TECHNICAL DATA SHEET

CLEAN+ Dish Soap

Code 9255
DESCRIPTION

CLEAN+ Dish Soap is an economical gel-based dish soap. Powerful and fast acting, it will clean through the toughest grease and grime without leaving spots on dishes and glassware. Ideal for use in all kitchen settings. Great for tough grease and caked on foods while being gentle on hands. Viscous clear, high foaming pink liquid with a light clean fragrance.

FEATURES & BENEFITS

- Quickly cuts through kitchen grease and grime
- Safe on all types of pots, pans, dishware, flatware, and serving utensils
- Excellent for use with hard or conditioned water
- Emulsifying / High viscosity formulation

DIRECTIONS FOR USE

- Read the entire label and SDS for proper use, handling, and storage before using this product.
- For Dishes, glassware, or general cleaning:
 - Use 1/4 ounce of soap per gallon (8mL / 3.8L)
 - Rinse with clean water and drain dry, no toweling is necessary.
- For Pots, Pans or Heavy-Duty Cleaning:
 - Use 1/2 ounce of soap per gallon (15mL / 3.8L)
 - Rinse with clean water and drain dry, no toweling is necessary.
- For best and most accurate results, use an automatic / sink mounted dispensing unit. Spray directly onto surface and wipe clean with a dry, lint free cloth.

PHYSICAL PROPERTIES

- Appearance: Pink opaque viscous liquid
- Odor: Pleasant clean scent
- pH: 7.5 – 8.5
- Shelf Life: 2 years

TECHNICAL DATA SHEET**PRECAUTIONS**

WARNING: Causes serious eye irritation. Wash hands and any exposed skin thoroughly after handling.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice / attention. **INGESTION:** If swallowed do NOT induce vomiting. If vomiting occurs, lean patient forward or place on left side (head down position, if possible) to maintain open airway and prevent aspiration. Never give liquid to a person showing signs of being sleepy or with reduced awareness (i.e. becoming unconscious). Give water to rinse mouth, then provide liquid slowly and as much as person can comfortably drink. Seek medical advice.

STORAGE

Avoid contact with incompatible materials. Keep containers securely sealed when not in use. Store in a cool, dry, well-ventilated area. Protect containers against physical damage and check regularly for leaks.

DISPOSAL

Legislation addressing waste disposal requirements may differ by country, state and/or territory. Each user must refer to laws operating in their area. In some areas, certain wastes must be tracked. Recycle containers if possible or dispose of in an authorized landfill.

WARRANTY – All statements, information and data presented herein are believed to be accurate and reliable but are not to be taken as a guarantee, expressed or implied, for which seller assumes legal responsibility and they are offered solely for your consideration, investigation and verification. Statements or suggestions concerning possible use of this product are made without representation or warranty that any such use is free of patent infringement and are not recommendations to infringe on any patent.
