# FIRST AID

EYE CONTACT: If this product comes in contact with eyes, wash out immediately with water. If irritation continues, seek medical attention. Removal of contact lenses after an eye injury should only be undertaken by skilled personnel. SKIN CONTACT: If skin or hair contact occurs, flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation. INHALATION: If fumes, aerosols, or combustion products are inhaled remove from contaminated area. Other measures are usually unnecessary. INGESTION: Immediately give a glass of water. First aid is not generally required. If in doubt, contact a Poison Control Center or a doctor.

# STORAGE

Keep containers securely sealed. No smoking, naked lights, or ignition sources. Store in a cool, dry, well-ventilated area. Store away from incompatible materials (oxidizing agents, bases, strong reducing agents, strong acids, acid chlorides, acid anhydrides and chloroformates) and foodstuff containers.

### DISPOSAL

Disposal should be in accordance with applicable regional, national, and local laws and regulations.
